The Minister of the parish is under a legal duty to be satisfied that you can lawfully marry in the parish before the marriage can take place or a firm date and time can be fixed for it.

To make this process as quick and simple as possible, whichever of you claims to have a connection should indicate it by ticking the relevant box below. You may have several connections with the parish church, but only one is required.

Text in *italics* shows the only cases where baptism is required of either the bride or groom.

The cases of connections A - G refer to the Order of Bishops' Guidance and you will be required to complete a further form confirming your connection.

One of you:

lives in the parish

*is on the church's electoral roll*

A *was baptised in the parish (in a Church in Wales service/form of baptism)*

B *was confirmed (in a Church in Wales service) and my confirmation is entered in a register belonging to a church or chapel in the parish*

C has a parent or grandparent who was married in the parish in a Church in Wales service

D has had your usual place of residence in the parish for at least 6 months

E has a parent who has had his or her usual place of residence in the parish for at least 6 months during my lifetime

F has habitually attended public worship at Church in Wales services in the parish for at least 6 months

G has a parent who has habitually attended public worship at Church in Wales services in the parish for at least 6 months during your lifetime

To the best of my belief the answers to the above questions are correct. I agree to the use of the information on this form to ensure that the legal requirements relating to the marriage are complied with and to make arrangements for the wedding ceremony.
